

# Hire with Confidence.

Leveraging 80 years of experience, our commitment to integrity and relationship-building defines us as more than “just a vendor” – we are your strategic partner. Immersed in understanding your culture, your company, and the specifics around the positions you need to fill, we ensure a personalized approach. This dedicated effort guarantees the best candidates uniquely suited for your open positions.

## Benefits of Partnering with Stivers:

### Reduced Recruitment Costs:

Staffing services are specialized in recruitment and have access to an extensive talent pool. They can efficiently identify and screen potential candidates, saving your organization the time and costs associated with advertising and interviewing.

According to Indeed most companies can expect to pay between **\$4,000** and **\$20,000** to hire a new employee.

### Digitally Transform Your Hiring:

Leverage our services to harness the power of our advanced recruitment technology. Improve the agility, accuracy, and speed of the recruitment process—ultimately leading to better talent acquisition outcomes for your organization.

## Committed to excellence...

Stivers proudly holds the Great Recruiters Certification. This recognition underscores our dedication to consistently delivering an outstanding candidate and client experience.

### Adapt to Changing Demands:

Scale your team based on project demands, avoiding costs tied to a permanent workforce during low-demand periods. Utilize temporary or contract staff as needed to optimize labor costs, paying for resources only when required.
